## Press Release

### Calling all composers, songwriters, arrangers – WE NEED YOU!!!

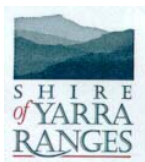

The Dandenong Ranges Music Council has a long history of providing opportunities for musicians of all interests to participate in music making activities, and now it's the composer/songwriters turn.

Following the huge success of the Composer – Connecting – Community project in 2006, where schoolchildren and local musicians had the chance to meet and work with composer Dr. Calvin Bowman, a “real live” composer, the DRMC is seeking all the other composers/ songwriters/arrangers in the community.

Says Sharon Batterham, Arts Administrator with the DRMC: “We know that they are out there, some already established, with others emerging and possibly in need of contact with other composer/songwriters. The DRMC wants to hold a forum to look at the needs of composers – we are keen to communicate with anyone who might be interested in this venture.”

If you are a composer, songwriter or arranger, and would like to find out more information about a possible music writers forum, please contact the DRMC on 9754 6566 or email [drmc@drmc.org.au](mailto:drmc@drmc.org.au)
