

Belgrave Bossa Nova

*Song No. 2 from **Breast Beaters Medley***

lyrics by Jeannie Marsh © 2015; music by Jeannie Marsh and Ken Murray © 2015

Down in Yarra Glen, had that dream again,
Heard those Copacabana waves on the sand...
I'm floating down to Rio.

Down in Ferny Creek, had a dreamy week...
Thought I'd drive to Silvan Dam, then, SHAZAM!
I'm floating down to Ipanema.

Samba sounds drifting down the street,
Hips and shoulders feel the beat.
Now, time after time, those sounds divine
Are blowing through my mind.
