

Bells of Peace ring for the children

Developed by children from the Yarra Ranges, their song 'Bells of Peace' is set to be further developed before being played Birrarung Marr on International Day of Peace on 21 September. Dandenong Ranges Music Council originally commissioned the song for the Anzac Centenary, and it was performed on the Federation Bells. To assist in the song's latest development, famous choral specialist and arranger Kate Sadler paid a visit to Upwey High School. Pictured with Kate, right, is Christine Wallis, Creative Director for 'Bells of Peace'. 168435
